

SUBLIMATION PRINTER

Unleash Your Inner Bold and Create Like Never Before

The Brother Sublimation Printer is ideal for creators, artists and designers, as it allows you to create vibrant colour projects. Customize t-shirts, tote bags, ceramic mugs, metal tumblers, coasters, and so much more using Artspira¹, Brother's editing and design app, or your favourite design software. Once you've finalized your design, you can quickly transfer your creations to your Brother Sublimation Printer and print high-quality, richly pigmented designs.

Make Ready-made Clothes All Yours:

Use the Brother Sublimation Printer for your next DIY Project! It's as easy as creating your design in your creative software, transferring it, printing, heat pressing, and finishing!

Create Custom Projects:

With the Brother Sublimation Printer and your imagination, you can create personalized pieces for birthdays, celebrations, and inviting home decor.

Brother Reliability:

Brother's reputation for creating first-rate, high-quality products continues with the Brother Sublimation Printer.
